Teamwork, speed, accuracy, record keeping, picking, packing, time management, MS office

EXPERIENCE

AMERICAN SEAWAY FOOD INC. LOADER/SELECTOR/HIGHLIFT OPERATOR

June 2015 - Present

- Accurately select product by matching slot numbers and product descriptions using a voice-activated warehouse management system.
- Lift and carry cases of up to 100 lbs. from pick slots and place them onto pallets; cases must be lifted from floor level, shoulder level and overhead.
- Meet and maintain established productivity standards.
- Construct sturdy, balanced pallet loads from various sizes and weights of cases for damage-free shipping.
- Shrink-wrap and stage completed pallets of selected product in proper shipping lanes for loading.
- Appropriately follow food safety procedures.
- Organize and prep product for shipping.
- Monitor trailer temperature for accuracy.
- Train new hires to load.
- Operate high lift to replenish bays
- Troubleshoot technical equipment issues

EMBASSY SUITES HOUSEMAN

June 2013- June 2015

- Operated with a team of housemen to prep rooms for events
- Managed audio and visual equipment throughout event
- Worked closely with event planner to make sure event was successful
